

SCOPE PICTURES IS HIRING A PROJECT DEVELOPMENT EXECUTIVE

Job description

Scope is an audio-visual production company (*Scope Pictures*) and Tax Shelter intermediary (*Scope Invest*) that has been handling the entire production chain for more than 15 years, from development to distribution, including financing and executive production of European films, series and documentaries

To name some numbers, Scope represents:

- More than 200 projects that have been financed and co-produced.
- More than €300 million invested in the European audio-visual industry.
- More than 30 projects supported by regional funds.
- More than 400 weeks of filming in Belgium.
- Nominations in internationally renowned festivals, critical and commercial successes.

YOUR MISSIONS

- Development of a network of authors and directors in Belgium and abroad, research of new projects and talents.
- Follow-up, coaching and analysis of the different phases of writing projects in development, writing notes and proposing ways of improvement.
- Research of promising subjects
- Reporting to the management on editorial proposals.

- Pitching of projects in different markets and festivals in the context of the search for funding.
- Elaboration of presentation files for talents, broadcasters and financiers.
- Artistic follow-up of projects (castings, rewriting according to production constraints, etc.)

YOUR PROFILE

Diplomas / Qualifications required

- You have a **university degree** (Master's degree) with a literary orientation
- **Knowledge of the stakes of an audio-visual production** and mastery of the artistic and technical constraints.
- You have a minimum of **5 years of professional experience** in a similar position.
- **Excellent writing and analytical skills**
- **Real communication skills**, rigorous, diplomatic, involved in relations with authors and management
- **Excellent cinematographic and literary culture**
- **Bilingual French / English**
